BATTLE FOR THE PACIFIC™

OVERVIEW

(1937-1945) Pacific Theater: World War II. THE HISTORY CHANNEL® Battle for the Pacific begins with the main character, Lt. Jonathan Farrell. Lt. Farrell has just returned from fighting in Europe only to be hand-picked for a special ops group in the Pacific codenamed "Eagle Rage." Lt. Farrell operates as a one-man-army single-handedly carrying out covert missions across the Pacific. Encountering enemies around every corner, Lt. Farrell must infiltrate, remain stealthy, perform rescue missions, and do what he can to help Allied forces in the Pacific gain ground against the Japanese.

MISSIONS

MISSION 1: "WELCOME TO THE PACIFIC"

Corregidor

Lt. Farrell begins this mission in a US Army base where amid the chaos and destruction he is told that he must deliver documents to General MacArthur. Lt. Farrell must fight his way through the base with these documents to his final destination—the beach.

MISSION 2: "SPECIAL DELIVERY"

Corregidor

After getting knocked unconscious, Lt. Farrell must continue his mission across the beach to a waiting PT boat where he will destroy mines, chase boats, and shoot Japanese Zeroes. If completed, Lt. Farrell will arrive safely at the General's stronghold with the documents.

MISSION 3: "BATTLE FOR GUADALCANAL"

Guadalcanal

After delivering the documents to the General, word of an enemy seaplane base on the nearby island of Tanambogo has Lt. Farrell landing on the beach of Gavutu, a neighboring island. Once on Gavutu, Lt. Farrell must make his way across the island to a causeway connecting the islands. Once he makes his way to the seaplane base he must destroy it.

CHANNEL

BATTLE FOR THE PACIFIC™

MISSION 4: "TANGO IN TANAMBOGO"

Guadalcanal

After destroying the seaplane base on Tanambogo, Lt. Farrell's only way out is the extraction point he started from on Gavutu. The only problem is...the enemy has already been alerted to his presence. He must cross the causeway, destroy it, and return to the beach.

MISSION 5: "TAKING BACK HENDERSON"

Guadalcanal

After destroying the seaplane base and successfully making his way out, Lt. Farrell receives a new mission—wipe out nearby Henderson Airfield, occupied by the Japanese. He must make his way to the airfield where he will use his binoculars to call in 3 air strikes to cripple the base.

MISSION 6: "EARNING SOME R&R"

Milne Bay

While receiving orders from an officer at Milne Bay airfield, the island is attacked by the Japanese and Lt. Farrell's mission is expedited. He is given important documents and is charged with getting these off the island at all costs.

MISSION 7: "FINISHING THE JOB"

Buna Gona

The player is sent to gather communication codes from a village on the island of Buna Gona. After hearing from a dying fellow soldier that the surrounding swamps and village are littered with enemies, Lt. Farrell must carefully make his way through enemy territory to gather the needed communication codes.

MISSION 8: "SHADOW OPERATION"

Truk

After learning that the communication codes are no longer on Buna Gona, Lt. Farrell makes his way to the island of Truk and must stealthily infiltrate a submarine base where he must steal enemy communication codes and bring them back to Allied forces. If the alarm is sounded and Lt. Farrell's presence is detected, the mission has failed.

MISSION 9: "BRING 'EM HOME"

Guam

For this mission, Lt. Farrell is instructed to head to the island of Guam to quietly infiltrate a POW camp and escort several missing POWs safely off the island via a stolen Japanese boat. Lt. Farrell must use the boat's guns to escape the island.

MISSION 10: "INTO THE LION'S DEN"

Tinian

Lt. Farrell is instructed to head to Tinian where he must fight his way to the Japanese controlled Tinian Base and radio the coordinates of his location to Allied soldiers so they can follow up with an air strike on an enemy supply depot. Once complete, he must find a way back to the extraction point.

MISSION 11: "NO WAY OUT"

Tinian

After radioing in for an Allied air strike on Tinian Base, Lt. Farrell loses his radio and must find an alternate way of communicating to Allied forces where to pick him up. He must find a way to signal for help and then reach the extraction point.

MISSION 12: "MY TICKET HOME"

Iwo Jima

The final mission requires Lt. Farrell to make his way to Iwo Jima and up Mt. Suribachi where his mission is to place stolen explosives on two machine gun bunkers at the top of the mountain, and then run like heck to the beach and Allied victory.
